Acknowledgement

The compilation of Case Study report on “**Resume Enhancing, Analysing, Developing using Machine Learning (R.E.A.D.M.L.)**” is the result of the endless help received from number of people. So, it gives me immense pleasure to acknowledge and express my sincere gratitude to those who helped us along my dissertation work.

We would like to express my deep sense of gratitude to our guide **Prof. G. S. Chityal** for giving her valuable time, precious guidance which helped us in completion of report successfully. We are very much thankful for his moral support and kind cooperation, which he gave us from time to time.

We are also thankful to our Principal **Dr A. N. Gaikwad** and Head of Department **Prof. A.G. Mote** for providing all the necessary facilities. Last but not the least we would like to thank other faculty staff for their direct and indirect contribution and support in completion of this report.

Mr. Rohan Ashok Mushan
Mr. Akash Subhash Sankanna
Ms. Aishwarya Somnath Chidgumpi
Ms. Vaishnavi Vijay Surware
